

CURRICULUM VITAE

KENT E. MOORE, M.D., D.D.S.

Diplomate, American Board of Oral & Maxillofacial Surgery (Certified Written: 1990, Oral: March, 1992, re-certified- September 2000, October 2010)

PRIVATE PRACTICE:

Charlotte Oral Surgery
Kent E. Moore, DDS, MD, PA
Oral & Maxillofacial Surgery
2711 Randolph Road
Suite 510
Charlotte, N.C. 28207
Tel: 704-358-8898
Fax: 704-358-8889

EDUCATION:

1977-1981- Undergraduate: Bachelors in Zoology; University of North Carolina at Chapel Hill (graduated 5/81)
1981-1984- Dental School: University of North Carolina School of Dentistry (Graduated with honors 12/84); Omicron Kappa Upsilon Academic Honorary Society
Externships: Department of Oral & Maxillofacial Surgery, Parkland Memorial Hospital, Dallas, Texas (6/83-8/83, 6/84-7/84)
1985- 1986- Fellowship: Depts. Of Anesthesiology & Oral & Maxillofacial Surgery, University of North Carolina at Chapel Hill (Memorial Hospital) (3-85-3/86)
1986-1990- Residency: Department of Oral & Maxillofacial Surgery, University of Washington, Seattle, Wa. (1986-1990), Chief Resident: 1989-1990
Senior Resident: Department of Oral & Maxillofacial Surgery, Geemente Ziekenhuis (Municipal Hospital of Arnhem; Arnhem, The Netherlands) with Dr. Paul Stoeltinga, M.D., D.D.S., Ph.D. (Senior Consultant)
1991-1993- Medical School: Medical College of Virginia- Richmond, Virginia (graduated with honors 6/93); Alpha Omega Alpha Academic Honorary Society; GI Pathophysiology Class valedictorian

ORAL & MAXILLOFACIAL SURGERY TRAINING:

1981-1984: University of North Carolina School of Dentistry- basic and advanced OMS training (Dr. Ray White, Dr. Tim Turvey, Dr. Bill Terry, and Dr. Bill Proffit)

6/83-8/83 and 6/84-7/84: Externships, Department of Oral & Maxillofacial Surgery: Parkland Memorial Hospital- Dallas, Texas (Dr. R.V. Walker, Dr. Doug Sinn, Dr. Bruce Epker)

1/85-4/85: Kijabe Medical Center- Kijabe, Kenya (minor oral surgery)

7/85-4/86: Fellow, Department of Oral & Maxillofacial Surgery/ Anesthesiology: University of North Carolina, Chapel Hill (functioned as a resident in Anesthesiology)

7/86-6/90: Formal Residency Training: University of Washington- Seattle, Washington
 (Philip Worthington, M.D., D.D.S.- Chairman; Ross Beirne, D.D.S., Ph.D.- Director)
 General Surgery: Clifford Herman, M.D.- Harborview Medical Center
 Internal Medicine: Bruce Gilliland, M.D.- Pacific Medical Center
 Anesthesiology: Bruce Cullen, M.D.- Harborview Medical Center
 Otolaryngology/ ENT/ Head and Neck Surgery: Alvin Novack, M.D.- Swedish Hospital
 Northwest Center for Corrective Jaw Surgery: Roger West, D.D.S.- Providence Medical Center
 Major Trauma/ Inpatient and Outpatient Surgery/ Pathology/ Outpatient Anesthesia; Doug Trimble, M.D., D.D.S., Mark Egbert, D.D.S., Andrew Tolas, D.D.S.- Harborview Medical Center (Level One Trauma Center for entire Pacific Northwest U.S.A.)
 Orthognathic Surgery- Roger West, D.D.S.- Northwest Center for Corrective Jaw Surgery- Providence Medical Center; Dale Bloomquist, D.D.S.- University Hospital and Swedish Hospital
 Pediatric Oral & Maxillofacial Surgery/ Cleft Palate/ Orthognathic/ Craniofacial- Robert Myall, M.D., D.D.S., Seattle Children's Hospital and Medical Center
 TMJ/ Reconstructive/ Implantology- Philip Worthington, M.D., D.D.S., Ross Beirne, D.D.S., Ph.D., and Dale Bloomquist, D.D.S.- University and Swedish Hospitals
 Outpatient IV Sedation/ Third Molar Clinic- Dr. John Evans, University of Washington School of Dentistry
 Surgical Orthodontic Training- Terry Wallin, D.D.S., William McNeal, D.D.S., Dale Bloomquist, D.D.S.- University of Washington School of Dentistry
 Orthognathic/ Craniofacial/ Preprosthetic/ Oncology/ Cleft Palate/ Trauma- Paul Stoelinga, M.D., D.D.S., Ph.D.- Geemente Ziekenhuis (Municipal Hospital of Arnhem), Arnhem, The Netherlands
 Implant Training: Philip Worthington, M.D., D.D.S., Ross Beirne, D.D.S., Ph.D., Dr. P.I. Brannemark (Advanced Surgical Courses)

PROFESSIONAL MEMBERSHIPS

International Association of Oral & Maxillofacial Surgeons
 Fellow, American Association of Oral & Maxillofacial Surgeons
 Elected State Delegate to AAOMS House of Delegates 2008 and 2009
 Diplomate, American Board of Oral & Maxillofacial Surgery
 Chief Organizer, Steering Committee of American Association of Oral & Maxillofacial Surgeon's Clinical Interest Group on Sleep-Related Breathing Disorders and Obstructive Sleep Apnea (2000)
 Chairman, Clinical Interest Group on Sleep-Related Breathing Disorders and Obstructive Sleep Apnea, American Association of Oral & Maxillofacial Surgeons (2001-2003)
 Task Force on Software Development (2002-2004)
 Alternate State Delegate to House of Delegates, 2006
 Southeastern Society of Oral & Maxillofacial Surgeons
 North Carolina Society of Oral & Maxillofacial Surgeons
 Elected to Executive Board beginning year 2001

Elected to Secretary Treasurer beginning year 2009
 Elected to Vice President beginning year 2011
 Elected to President beginning year 2013
 American Medical Association
 American Dental Association
 North Carolina Medical Society
 North Carolina Dental Society
 Mecklenburg County Medical Society
 Charlotte Dental Society
 American Academy of Sleep Medicine
 American Academy of Dental Sleep Medicine
 Board of Directors (2001-2004)
 Program Chairman, Academy of Dental Sleep Medicine National Meeting- Seattle, Washington
 (2002), and Chicago, Illinois (2003)
 President-Elect (2002-2004),
 President- term 6/2004- 6/2006
 Presbyterian Hospital (Charlotte, N.C.)- Chairman, Department of Oral & Maxillofacial Surgery (2003-10)
 President, American Board of Dental Sleep Medicine 2006-2008
 Secretary-Treasurer, American Board of Dental Sleep Medicine 2005-2006
 Faculty- National Sleep Medicine Board Review Course- American Academy of Sleep Medicine- 2002,
 2003, 2004, 2005
 Fellow, American Dental Society of Anesthesiology
 Diplomate, National Dental Board of Anesthesiology
 Diplomate, American Board of Dental Sleep Medicine
 2006 Steering Committee, National Sleep Foundation, “Night of a Thousand Dreams” Annual Event (part
 of National Sleep Awareness Week)
 Founding Board Member, International Society of Sleep Surgeons (founded Chicago, 2006)
 Vice-President, International Society of Sleep Surgeons (2006-2010)
 Board Examiner, American Board of Oral & Maxillofacial Surgery 2008- 2012
 Airway Exam Section Coordinator, American Academy of Dental Sleep Medicine 16th Annual Meeting-
 Minneapolis, MN
 2007-current: Chairman, Obstructive Sleep Apnea Taskforce, American Association of Oral &
 Maxillofacial Surgeons
 Faculty- American Academy of Chest Physicians’ SEEK- SLEEP (self-assessment publication) committee-
 February 2008
 Faculty- American Academy of Chest Physicians’ SLEEP MEDICINE Board Review Course- Orlando,
 Florida October 2008
 Faculty- American Thoracic Society SLEEP Board Review Course- San Diego, California May 2009
 Faculty- Faculty- American Academy of Chest Physicians’ SLEEP MEDICINE Board Review Course-
 Phoenix, Arizona August, 2009
 AAOMS Representative to the National Sleep Awareness Roundtable- Washington, D.C. (2010- present)
 Chairman, 2011 AAOMS Taskforce on Priorities and Strategic Planning- Rosemont, Ill

CURRENT CLINICAL PRIVILEGES

Clinical privileges at Presbyterian Hospital and Carolinas Medical System- Charlotte, N.C.

LICENSURE

MEDICAL: State of North Carolina, License # 93-00542
 DENTAL: State of North Carolina, License # 5366

AWARDS

2008- Elected “Best Dentist” by Charlotte- area Dental Community (elected by peers)

2009- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)
2010- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)
2010- Distinguished Service Award, American Academy of Dental Sleep Medicine
2011- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)
2012- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)
2013- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)
2014- Elected "Best Dentist" by Charlotte- area Dental Community (elected by peers)

PUBLICATIONS/ RESEARCH

Fellow, National Institute of Dental Research, 1983: Scanning Electron Microscopy - research dealing with solubility properties of bone and teeth. Principal: Miles Crenshaw, Ph.D.

Moore, K. "Oral Appliance Therapy and Surgical Therapy for Obstructive Sleep Apnea"- AAOMS Surgical Knowledge Update series (distributed to all Dentists within the United States), January, 2010

Currently: Evaluating effectiveness of new diagnostic and therapeutic modalities in the treatment of Obstructive Sleep Apnea (predictive value of stereovideoendoscopic applications in maxillofacial surgery using a 3-dimensional predictive model). Developing patents as described below. Designing and implementing Oral Surgery- Clinical Electronic Record (OS-CER™) electronic OMS medical record software.

PATENTS OBTAINED/ PATENT APPLICATONS FILED:

- 1) Method For predicting Airway response to Mandibular Advancement therapy in patients with Obstructive Sleep Apnea (US Patent Office Issued: US Appl. 11/391,133)
- 2) Stereovideoendoscopic Applications for Upper Airway Measurement (Japan, Australia, and Canada)
- 3) Novel Advancement mechanism and new oral appliance design for treatment of OSA (provisional application filed June 2010)

- 4) Novel Compliance Monitoring device for oral appliance therapy (provisional application filed October 2010)

EDITORIAL REVIEW COMMISSIONS

- 2005- current: Editorial/Review Board for the Journal: *Sleep and Breathing* (Springer Publishers, Berlin, Germany)
- 2004-5 Section Co-Editor: AAOMS Knowledge Update on Obstructive Sleep Apnea Section (American Association of Oral & Maxillofacial Surgeons)
- 2008- current: Editorial/Review Board for the *International Journal of Oral & Maxillofacial Surgery* (Elsevier Publishers, Oxford, United Kingdom)
- 2012- current: Editorial/Review Board for the Journal of Craniomandibular Practice (Chroma, Inc., Chattanooga, TN)

CONSULTANTSHIPS

Medtronic Corporation: Sleep-Disordered Breathing Panel- November, 2008

CERTIFICATIONS

Advanced Cardiac Life Support (ACLS)- initially obtained in 1985, recertified multiple times thereafter

Advanced Trauma and Life Support (ATLS)-initially obtained in 1989, recertified

American Board of Dental Sleep Medicine-certified, Chicago, March 1999

American Board of Oral & Maxillofacial Surgery- written and oral examinations- 1991 and 1992; recertified 2000 and 2010

American Dental Society of Anesthesiology- written exam, Charleston, S.C., March, 2005

Pediatric Advanced Life Support (PALS)- obtained in October, 2006

SCIENTIFIC, MEDICAL, DENTAL, AND PUBLIC PRESENTATIONS

- “Osteoradionecrosis: Current Concepts and Case Reports”- Presentation before the Washington State Society of Oral & Maxillofacial Surgeons, Seattle, march 1987
- “Cephalometric Analysis in Obstructive Sleep Apnea”- presentation to Otolaryngologists and Sleep Physicians, Presbyterian Hospital Sleep Center Meeting, October, 1993
- “Oral and Maxillofacial Treatment Options in Obstructive Sleep Apnea”- Multimedia presentation before the Carolina Sleep Society in October, 1996
- “Findings from the Stanford Sleep Conference”- CME conference given at University Hospital in Charlotte, N.C.- October, 1997
- “Oral and Maxillofacial Treatment of Obstructive Sleep Apnea”- lectures given to public at Presbyterian Hospital and Presbyterian Hospital Matthews- June, 1996, 1997, 1998
- “Snore No More and Sleep Sounder: Let Us Help Solve Your sleep Related Problems”- public lecture given at Borders Bookstore, Charlotte, N.C.- July 14, 1998 (discussed use of Oral Appliances, Somnoplasty, and Telegnathic Surgery for treatment of OSA)
- Front Page- *The Charlotte Observer*- Somnoplasty treatment for Snoring- July 20, 1998
- WSOC Evening News- “Somnoplasty for treatment of Snoring”- August, 1998 (procedure filmed on location), Charlotte, N.C.
- “Somnoplasty for the treatment of Snoring, and Oral and Maxillofacial Treatment of Obstructive Sleep Apnea”- lecture given to public at numerous sites, in association with local sleep labs and Otolaryngologists”- August- September, 1998 (discussed use of Oral Appliances and Telegnathic Surgery for treatment of OSA)
- “Oral and Maxillofacial Treatment of Obstructive Sleep Apnea, Somnoplasty for Treatment of Snoring”- one hour talk-radio (Mike Collins Show- WFAE, Charlotte, N.C.)- September 8, 1998

- “Somnoplasty for the treatment of Snoring”- lecture given to Otolaryngologists and Sleep Physicians at Presbyterian Hospital Sleep Center monthly meeting- September 10, 1998
- “Somnoplasty for the Treatment of Snoring”, and “Oral & Maxillofacial Treatment of Obstructive Sleep Apnea”- lecture given to public at Gastonia City Club, Gastonia, N.C.- September 10, 1998
- “The QuietKnight Oral Appliance for treatment of Obstructive Upper Airway Pathology”- presentation to regional sleep physicians, sponsored by Nellcor/ Mallincrodt- Charlotte, N.C. - October 15, 1998
- “Somnoplasty and Oral and Maxillofacial Treatment of Obstructive Sleep Apnea”- public lecture given at Hilton Hotel, Charlotte, N.C. (with Dr. Steve Hardy, Dr. Mark Weigel) - October 20, 1998
- “Somnoplasty and Oral and Maxillofacial Treatment of Obstructive Sleep Apnea”- public lecture given at Presbyterian Hospital, Charlotte, N.C. (with Dr. Ken Ashkin, Dr. Christ Koconis)- October 25, 1998 (discussed use of Oral Appliances, Somnoplasty, and Telegnathic Surgery for treatment of OSA)
- WTVI public television- “Healthwise” show- “Treatment of Snoring and Obstructive Sleep Apnea”- public television show (with Dr. Mindy Cetel and Dr. Hugh Lovejoy)- January 10, 1999, Charlotte, N.C.(discussed use of Oral Appliances, Somnoplasty, and Telegnathic Surgery for treatment of OSA)
- “Somnoplasty and Oral and Maxillofacial Treatment of Obstructive Sleep Apnea”- public lecture given at Presbyterian Hospital Matthews, Matthews, N.C. (with Dr. Ken Ashkin, Dr. Don Schumacher)- April, 1998 (discussed use of Oral Appliances, Somnoplasty, and Telegnathic Surgery for treatment of OSA)
- “Principles and Practice of Radiofrequency Volumetric Tissue Reduction for the Treatment of Snoring and Obstructive Sleep Apnea”- Surgical Clinic given at American Association of Oral and Maxillofacial Surgeons Annual Scientific Session- October 2, 1999- Boston, Massachusetts
- “A Slightly Closer Look at Tongue-Base Obstruction in Adult Patients with Obstructive Sleep Apnea”- lecture given to Otolaryngologists, Sleep Medicine Physicians, Oral & Maxillofacial Surgeons, Pulmonary Specialists at Mercy South Hospital, Charlotte, N.C.- November 19, 1999
- WTVI public television-“Healthwise” show- “Treatment Options for Obstructive Sleep Apnea”- public television show (with Dr. Steve Hardy, Dr. Michael Sicard)- March 26, 2000, Charlotte, N.C. (discussed role of Oral Appliances, Somnoplasty, and Telegnathic Surgery for treatment of OSA)
- Current literature review on Somnoplasty and OPAP- Sleep Medicine Conference, Presbyterian Hospital, Charlotte, N.C.- June 8th, 2000
- “Sleep Under the Knife”- Surgical Treatment of Obstructive Sleep Apnea (lecture given to American Academy of Dental Sleep Medicine- National Meeting)- Las Vegas, Nevada- June 17, 2000
- “Principles and Practice of Radiofrequency Volumetric Tissue Reduction for the Treatment of Snoring and Obstructive Sleep Apnea”- Surgical Clinic given at American Association of Oral and Maxillofacial Surgeons Annual Scientific Session- September 23, 2000- San Francisco, California
- “A Practical Method for Classifying Patterns of Tongue-Base Narrowing”- Original Abstract presented at the American Association of Oral & Maxillofacial Surgeon’s National Meeting- San Francisco, California (in conjunction with Dr. Ceib Phillips, Chapel Hill, N.C.)
- “Principles and Practice of Radiofrequency Volumetric Tissue Reduction for the Treatment of Snoring and Obstructive Sleep Apnea”- Surgical Clinic given at American Association of Oral and Maxillofacial Surgeons Annual Scientific Session- September, 2001- Orlando, Florida
- “The Oral & Maxillofacial Electronic Medical Record”- presentation given to the Executive Board of the Oral and Maxillofacial Surgery National Insurance Company- April, 2002- Chicago, Illinois
- “The Oral & Maxillofacial Electronic Medical Record”- presentation given to Software Committee of the American Association of Oral and Maxillofacial Surgeons and Discus Dental Software Division- July 2002- Los Angeles, California
- “Oral Appliance Therapy for the Treatment of Sleep-Related Breathing Disorders”- presentation given to attendees of the 2002 National Sleep Medicine Board Review Course, given by the American Academy of Sleep Medicine- August, 2002- Dallas, Texas
- “Oral Appliance Therapy for the Treatment of Sleep-Related Breathing Disorders”- presentation given to attendees of the 20th Annual Meeting of the Southeast/ Southwest Region of the Association of Polysomnographic Technologists- September, 2002

“Acoustic Pharyngometry for Upper Airway Examination”- lecture given during the “hands-on Fiberoptic Endoscopy Course” given at the American Association of Oral & Maxillofacial Surgeons National Meeting- Chicago, Illinois- October, 2002

“Electronic Medical Records for the Oral & Maxillofacial Surgeon”- lecture given during the AAOMS National Meeting- October, 2002- Chicago, Illinois

“The Upper Airway Examination in patients with Obstructive Sleep Apnea”- lecture given during the AAOMS National meeting- October, 2002- Chicago, Illinois

“Housecalls”- public call-in question and answer TV show (organized by the Mecklenburg Medical Society- NBC Charlotte local affiliate (NBC6)- with Dr. Susan Esther, Dr. Ken Ashkin, Dr. Brian Gibson- October 8, 2002

WTVI public television-“Healthwise” show- “Treatment Options for Obstructive Sleep Apnea”- public television show (with Dr. Susan Esther, Dr. Gene Tudor)- October, 2002, Charlotte, N.C. (discussed role of Oral Appliances, Radiofrequency, and Telegnathic Surgery for treatment of OSA)

“Oral Appliance Therapy for the Treatment of Sleep-Related Breathing Disorders”- presentation given to attendees of the 2003 National Sleep Medicine Board Review Course, given by the American Academy of Sleep Medicine- August, 2003- Chicago, Illinois (Oak Brook)

“Electronic Clinical Records for the Oral & Maxillofacial Surgeon”- Grand Rounds presented at the UNC School of Dentistry, Chapel Hill, N.C. November 14, 2003

“Nonsurgical and Surgical Therapies for treatment of Obstructive Sleep Apnea”- Grand Rounds presented at Northeast Medical Center to Otolaryngologists, Sleep Physicians, and Sleep Technicians August 17, 2004

“Oral Appliance Therapy for the Treatment of Sleep-Related Breathing Disorders”- presentation given to attendees of the 2004 National Sleep Medicine Board Review Course, given by the American Academy of Sleep Medicine- August, 2004- Chicago, Illinois (Oak Brook)

“Which Surgical Procedure do I Perform for my Patient with OSA?”- presentation given during AAOMS 86th Annual Scientific Session- September 30, 2004, San Francisco, CA

FDA Hearing (Combined ENT and Dental Products Panels)- on OTC release of Oral Appliances for treatment of Sleep-Related Breathing Disorders; spoke on behalf of Academy of Dental Sleep Medicine in opposition to proposed OTC status; October, 2004, Washington, D.C.

“Maxillomandibular Advancement for Treatment of Obstructive Sleep Apnea”- presentation given to Otolaryngology attendees of “Surgery, Sleep, and Breathing (A Symposium on the current state and future directions of reconstructive surgery for sleep disordered breathing)- Department of Otolaryngology & Communication Sciences, Medical College of Wisconsin. October 11, 2004- Milwaukee, Wisconsin

“Oral Appliance Therapy for the Treatment of Sleep-Related Breathing Disorders”- presentation given to attendees of the 2005 National Sleep Medicine Board Review Course, given by the American Academy of Sleep Medicine- August, 2005- Chicago, Illinois (Oak Brook Hills, Chicago)

“Surgical Therapy for Obstructive Sleep Apnea”- presentation given to attendees of the 2006 Introduction to Dental Sleep Medicine Course, given by the Academy of Dental Sleep Medicine, February 2006 (LaJolla, California)

“The Upper Airway Exam”- presentation given to attendees of the 2006 Introduction to Dental Sleep Medicine Course, given by the Academy of Dental Sleep Medicine, February 2006 (LaJolla, California)

“When Do I Refer My Patient for Surgical Therapy?”- presentation given to attendees of the 2006 Introduction to Dental Sleep Medicine Course, given by the Academy of Dental Sleep Medicine, February 2006 (LaJolla, California)

“Update on New AASM Practice Parameters for use of Oral Appliances to Treat Obstructive Sleep Apnea”- to primary care physicians at Crown Point Family Practice, February, 2006

“Update on New AASM Practice Parameters for use of Oral Appliances to Treat Obstructive Sleep Apnea”- to primary care physicians at Presbyterian Hospital, Huntersville, February, 2006

“Oral Appliance Therapy for Obstructive Sleep Apnea”- lecture provided to Sleep Physicians, Otolaryngologists, and Respiratory Technicians (Carolina Sleep Society Meeting), April, 2006 (Columbia, S.C.)

- “Surgical Therapy for Obstructive Sleep Apnea”- lecture provided to Sleep Physicians, Otolaryngologists, and Respiratory Technicians (Carolina Sleep Society Meeting), April, 2006 (Columbia, S.C.)
- “Maxillomandibular Advancement for Obstructive Sleep Apnea”- lecture provided to Otolaryngologists (Surgery, Sleep & Breathing II)- Chicago, Illinois June, 2006
- “Oral Appliance Therapy for Obstructive Sleep Apnea”- lecture provided to Otolaryngologists (Surgery, Sleep & Breathing II)- Chicago, Illinois June, 2006
- “Surgical Therapy for Obstructive Sleep Apnea- lecture provided to Dentists (Academy of Dental Sleep Medicine)- Salt Lake City, Utah June, 2006
- “Oral Appliance Therapy for Obstructive Sleep Apnea”- lecture provided to participants in joint Southeast- Southwest Association of Polysomnographic Technicians Meeting- Charlotte, N.C. August, 2006
- “Obstructive Sleep Apnea and the Dental Profession”- lecture provided to the Metrolina Dental Society- Providence Country Club, Charlotte, N.C. September, 2006
- “Obstructive Sleep Apnea and the Dental Profession”- lecture provided to the Fayetteville Dental Society- Highland Country Club, Fayetteville, N.C. December, 2006
- “Upper Airway Examination for Obstructive Sleep Apnea”- lecture provided to attendees of the American Academy of Dental Sleep Medicine Basic Course- Torrey Pines, CA February, 2007
- “Oral Appliances for Treatment of Obstructive Sleep Apnea”- lecture provided to attendees of the American College of Oral & Maxillofacial Surgeons Annual National Meeting- Orlando, FL April 30, 2007
- “Surgical Therapy for Treatment of Obstructive Sleep Apnea- When to Refer”- lecture provided to attendees of the American Academy of Dental Sleep Medicine annual meeting- Minneapolis, Minnesota June, 2007
- “Videofiberoptic Nasopharyngoscopic Exam Technique”- Hands-on clinical roundtable presentation provided to attendees of the American Academy of Dental Sleep Medicine annual meeting- Minneapolis, Minnesota June 2007
- “Oral Appliance and Surgical Therapy for Treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the American College of Chest Physician’s SLEEP MEDICINE Board Review Course- Orlando, Florida October 2008
- “Oral Appliance and Surgical Therapy for Treatment of Obstructive Sleep Apnea”- Lecture provided to Dental Assistants in training- Central Piedmont Community College- Charlotte, N.C. November, 2008
- “Oral Appliance Therapy and Oral & Maxillofacial Surgical Therapy for Treatment of Obstructive Sleep Apnea”- lecture provided to Cardiologists at Mid-Carolina Cardiology Journal Club- Charlotte, N.C. January, 2009
- “Surgical Therapy for Treatment of Obstructive Sleep Apnea”- lecture provided to attendees of the American Academy of Craniofacial Pain- New Orleans, La. January 2009
- “Site Specific versus Diffuse Surgical Treatment of OSA”- lecture provided to attendees of the International Surgical Sleep Society meeting- Amsterdam, The Netherlands May, 2009
- “Update in Oral Appliance Therapy and Surgical Therapy for treatment of Obstructive Sleep Apnea”- lecture provided to attendees of the American Thoracic Society’s Postgraduate Course in Sleep Medicine- San Diego, California May, 2009
- “Oral Appliance and Surgical Therapy for Treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the American College of Chest Physician’s SLEEP MEDICINE Board Review Course- Scottsdale, Arizona August 2009
- “Oral Appliance and Surgical Therapy for Treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the American College of Chest Physician’s SLEEP MEDICINE Board Review Course- Scottsdale, Arizona January 2010
- “Oral Appliance Therapy and Stereovideoscopy for Obstructive Sleep Apnea”- Lecture provided to attendees of the American Thoracic Society’s “SLEEP- STATE OF THE ART” course – Miami, Florida February 28, 2010
- “Oral Appliance and Maxillofacial Surgery for treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of Carolina Sleep Society (sleep technicians)- Myrtle Beach, South Carolina May 20, 2010

- “Stereovideoendoscopy and a Novel 3-Dimensional Predictive Model for treatment of OSA”- Lecture provided to attendees of the American Academy of Dental Sleep Medicine Annual National Meeting- San Antonio, Texas June 4, 2010
- “Nonsurgical treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the 92nd Annual Meeting of the American Association of Oral & Maxillofacial Surgeons- Chicago, Illinois October 2, 2010
- “Oral Appliances for Treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the Carolinas Medical Center SLEEP Conference- Charlotte, NC January, 2011
- “Oral Appliance and Surgical Therapy for treatment of Obstructive Sleep Apnea”- Lecture provided to attendees of the American College of Chest Physician’s 2011 SLEEP Medicine Course- Tempe, Arizona January 2011
- “Dental management of OSA”- lecture provided to attendees of the Mallard Creek Dental Study Group, Charlotte, NC January, 2012
- “Surgical Management of Obstructive Sleep Apnea”- lecture provided to attendees of the Department of Otolaryngology, Northeast Medical Center, Charlotte, NC March, 2012
- “Use of Large Diameter Implants for Immediate Molar Restorations”- lecture provided to attendees of the Randolph County Dental Society Meeting, Asheboro, NC April 2012
- “Obstructive Sleep Apnea for the Dental Practitioner”- presentation to office staff of Dr. Sandra Stovall, Charlotte, N.C. April 2013
- “Oral Appliance and Surgical Options for Management of Obstructive Sleep Apnea”- presentation to attendees of 4th Annual Carolinas’ Clinical Sleep Symposium 2014, Charlotte, N.C. January 2014 (co-presentation with Eric Maier, M.D.)
- “3-D Imaging: Future implications for Obstructive Sleep Apnea Management”- presentation to attendees of Sirona 3-D CBCT conference, Charlotte, N.C. September 2014
- “2015 Surgical Update for OSA, and Directions for Future Imaging”- presentation to attendees of Tufts University School of Dentistry Mini-residency in Dental Sleep Medicine, Boston, MA May 2015

PROFESSIONAL MEETINGS/ COURSES ATTENDED:

- 1984- American Association of Oral & Maxillofacial Surgeons (Clinical Congress), Washington, D.C.
Preprosthetic Surgery for the Oral & Maxillofacial Surgeon- University of North Carolina, Chapel Hill, North Carolina
- 1985- Advanced Cardiac Life Support, Chapel Hill, North Carolina
- 1986- Brannemark Implant Basic Course- Seattle, Washington
- 1987- Advanced Trauma and Life Support- Seattle, Washington
Brannemark Implant Advanced Course- Seattle, Washington
American Society of Orthodontists- Seattle, Washington
Advanced Cardiac Life Support Recertification- Seattle, Washington
- 1989- Dutch Society of Oral & Maxillofacial Surgeons, Alkmaar, The Netherlands
AO/ASIF Maxillofacial Plating Course- Davos, Switzerland
- 1990- Surgical Anatomy for the Oral & Maxillofacial Surgeon- Leiden, The Netherlands
Office Anesthesia for the Oral & Maxillofacial Surgeon- Seattle, Washington
North Carolina Society of Oral & Maxillofacial Surgeons- Asheville, North Carolina
University of Pennsylvania Annual Board Review Course in Oral & Maxillofacial Surgery- Philadelphia, Pennsylvania
- 1991- North Carolina Dental Society- Myrtle Beach, South Carolina
American Association for Oral & Maxillofacial Surgeons (Clinical Congress)- Washington, D.C.
Laser Biophysics & Safety- Charlotte, North Carolina

- Advanced Cardiac Life Support Recertification- Charlotte, North Carolina
- 1993- AAOMS Mutual Risk Management Seminar- Baltimore, Maryland
Minimally Invasive Laser Applications in Oral & Maxillofacial Surgery- Charlotte, North Carolina
ACLS Recertification- Richmond, Virginia
Holiday Dental Conference- Charlotte, North Carolina
N.C. Society of Oral & Maxillofacial Surgeons- Pinehurst, North Carolina
- 1994- Advanced Trauma and Life Support Recertification- Charlotte, North Carolina
Laser Applications in Oral & Maxillofacial Surgery- New Orleans, Louisiana
Laser-Assisted Uvulopalatopharyngoplasty (LAUP)- Charlotte, North Carolina
TMJ Laser Applications in Oral & Maxillofacial Surgery- Birmingham, Alabama
American Association of Oral & Maxillofacial Surgeons (National Meeting)- Denver, Colorado
Holiday Dental Conference- Charlotte, North Carolina
